SKILLS

Toolbox:

GoLang Docker Kubernetes Terraform Clouds
GIT; CI/CDs & runners Linux/Bash Python SQL
ITIL Helm, Carvel ytt & kapp, Jenkins, ArgoCD, etc, etc

Happy to Pick-up:

GCP Ansible Packer ProxMox Graphana Prometheus

Soft Skills:

Disciplined Conscientious Easy-Going Fast Learner

ACHIEVEMENTS

Database Management Service

Help develop and run VMWare's own Database Management Service to rival other clouds and integrate it for their classical datacenter customers.

Ticket Exchange

Single-handedly designing, negotiating, developing and implementing ticket exchange between multiple parties, for a Micro Focus customer.

Efficiency Report

A report for the ETA telecom, analyzing the efficiency of the company workflow and suggesting structural improvements.

Master Thesis

In a joint work with the KUL physics department.

PASSIONS

Swimming

Singing
